

CANARY WHARF LONDON

motorexpo

Confederate

Confederate's mantra is to initiate a return to honest American industrial and mechanical design. Never compromise passion, intensity, time or money. Create through deep, considered, actual individual emotion. Perfect a balance of technology and the primitive. Invest absolute faith. Overbuild. Maximize and evolve individual craftsmanship. Relish the challenge and persist eternally.

To see the results visit the RSVR Racing display within One Canada Square.

Mercedes-Benz

Mercedes-Benz will deliver a showcase of their latest product line-up at the 2008 Canary Wharf London Motorexpo, on Canada Square Park, which will include new facelift models such as the CLS-Class and SL-Class.

Please visit our stand during the show and our staff will be only too pleased to arrange for you to receive further information, and arrange for you to have a test drive in the vehicle of your choice.
