EARGASMIC

Music sounds better than ever with HeadRoom's Cosmic Traveler. Packages come with top-of-the-line Sennheiser HD650 headphones (shown, \$1,199) or Etymotic ER•4 isolating earbuds (\$1,069), plus HeadRoom's own Cosmic amplifier and a carrying case to keep it (and your iPod or CD player) all together.

HELL ON WHEELS

The Confederate 2005 F113 Hellcat (\$61,800) marks the company's launch of its new high-output radial V-twin engine, tuned to a patented, super-rigid proprietary chassis made from carbon fiber. Part American chopper, part European roadster, the Hellcat embodies Confederate's fanatical devotion to motorcycling perfection.
